Humility, Compassion & Thankfulness

**COMMUNITY NEWS**

COMING SOON- please come along and bring a friend or two

**28<sup>th</sup> September 08:45-11:15**

Children can wear something green and bring 50p for a cake. Donations of cakes would be hugely appreciated for this amazing charity. Anyone that would like to help, please email Julie in the office.

Class News		Class Superstars
Wrens	Wrens have had a great start to the term. We have been busy practising our writing skills and learning about alphabetical order. In Maths, we have been counting and comparing numbers. We have also enjoyed finding different ways to travel in PE and exploring the outdoor environment in Forest School.	Eve Jacob
Robins	This week the Robins have been getting stuck into our topic and completing lots of writing all about ourselves. We have also written about our holidays along with doing some "sunglasses" artwork. This is displayed in the hall for everyone to see. In Maths we have been exploring shapes and their properties. We have begun our RE topic and have been making posters about all we know about Christians and what they believe. On Wednesday we started our "Word of the Day". So far we have had <i>devoured</i> , <i>shriek</i> and <i>wither</i> . We are aiming to add these words into our day, either when writing or talking.	Isla Jacob

<b>Woodpeckers</b>	Woodpeckers have been settling into their new classroom and making a great start to the year. The children have been practising their times tables and working on increasing their knowledge of the place value of 3 and 4 digit numbers. In English, the children have been planning their ideas ready to write a recount about their summer holiday.	Sammy-Jo Noah Chloe Joel
<b>Owls</b>	Owls Class have been very busy over the past two weeks, getting settled in the class and getting stuck into our new topic, 'The Victorians'. This week, they have been looking at the place values of numbers (some children have even made different numbers up to 1,000,000!) and rounding these numbers to the nearest 10, 100 and 1000. In English, the children have been writing recounts about their Summer holiday and different types of conjunctions. In topic, they have been learning all about different types of electricity and sorting different objects into objects that use mains electricity and battery electricity. In P.E. they have been working on different throwing and catching skills and learning the rules of netball.	Alex Alan Logan Scarlett
<b>Peregrines</b>	Peregrine Class have made a positive start to the new school year. They have already set high expectations for themselves and these have been recorded and safely stored in their balloons which are hanging from the ceiling. In English, they have been writing a recount about their holidays and in Topic they have been comparing present day holidays to those taken by the Victorians. In Maths, they have been working on place value.	Seth Mia Pippa Chloe

## Notices

- **Scarlett's Dad (Steve) is soon to complete the Offa's Dyke Walk to raise money for Megan Baker House, a fabulous charity, close to our hearts.**

It is **177 miles (285 km)** long, with a total ascent of 28000 ft. (Just shy of the equivalent to climbing Everest). He is completing it with his brother and attempting to do it in 10 days! He will be camping along the way, so will have to carry spare clothes, sleeping bags, tents & food. For further information about the challenge and if you feel able to contribute anything, **no matter how small**, please visit his 'justgiving' page.

<https://www.justgiving.com/fundraising/steve-neilson> If you would rather make a cash donation, please pass it to Julie in the office in a clearly labelled envelope.

- PLEASE MAKE SNACKS HEALTHY ONES- NO CRISPS OR CHOCOLATE BARS
